

## Meeting Minutes September 17, 2007

Meeting Location: SkyWest Clubhouse in Midland.

The meeting was called to order by Steve Clinton, Chapter President.

- I. Minutes from last month's meeting were approved.
- II. Old Business
  1. The Skywest tetrahedron project – Steve would like to get a date set up to begin the project in the next month or so. We will be asking for volunteers to get this project completed.
  2. Chapter shirts and hats are still available so if you would like one please contact Steve Clinton, [spclinton@grandecom.net](mailto:spclinton@grandecom.net).
- III. Treasure's Report
  1. Pat Day presented the Treasure's Report on behalf of Nancy Day. In summation, the Chapter currently has \$35,738.51 in the bank, with the majority placed in Laddered CD's. Since February, we have accumulated over \$700.00 in interest on those investments.
  2. Steve mentioned that with our money now collecting interest, the Chapter needs to begin looking into scholarship options in the next six months.
- IV. New Business
  1. Airsho Judging – This years Airsho will be conducted on September 28-30. The Chapter has once again been invited to come out and judge the aircraft in attendance, with awards handed out to the best in a hand full of categories. We need volunteers who can look at the aircraft objectively; however, you do not need to be expert. We will be meeting in the Library of the High Sky Wing directly across the street of the CAF museum. If you would like to judge please contact Michael Clinton, [smclinton@suddenlink.net](mailto:smclinton@suddenlink.net).
  2. Young Eagles – There is the potential of small Young Eagles event for a local Church group in the coming months. When more details become available they will be posted on the Chapter's website. Steve also gave a brief overview of the Young Eagles program to the new members of the Chapter.
  3. Steve also mentioned that we need to start thinking about the Christmas party this year. Don Harris has graciously hosted the Chapter party at his home the last few years but we have not seen Don in some time so his status is questionable. Steve asked that we ponder a possible plan B.

The next meeting will in Odessa, October 15, 2007, 6:30pm. Steve was charged to find a place for the meeting and it will be announced in an email and on the Chapter's website.
